

Roseridge Spring Clean-Up Program

Welcome to Roseridge's Spring Clean-Up program. We believe that a clean environment is vital for the health and well-being of our community. Our litter clean-up events are designed to unite volunteers to make a tangible difference in our community while raising funds for their group or club. Beyond cleaning up, these events reinforce our commitment to environmental stewardship and community engagement.

Our Mission

Our mission is to create cleaner, safer, and more beautiful community by organizing regular clean-up events. We seek to reduce pollution, protect local wildlife, and enhance the quality of life for residents. Through a spirit of collaboration and civic responsibility, we hope to inspire others to act and join our cause.

Tuesday, April 22, 2025, is the 55th anniversary of Earth Day in Canada. We invite everyone to support Earth Day's 2025 theme: **OUR POWER, OUR PLANET™**. There are many ways you can get involved and make a difference for our planet on Earth Day and every day and this is one of them.

How It Works

Our clean-up events are carefully organized for safety and impact. Here's how they typically unfold:

Event Planning and Coordination: We identify priority areas, coordinate with local authorities, and organize event logistics, including rules, regulations, supplies and waste disposal.

Volunteer Engagement: We recruit volunteers from schools, businesses, and community groups, providing multiple opportunities for participation.

Event Day: Volunteers meet for a brief orientation, receive safety instructions and all required equipment, then clean assigned areas.

Collection and Disposal: Collected litter is sorted for recycling and proper disposal at the Roseridge Waste Management Center.

Our Impact

With our inaugural event, Roseridge is taking the first step in revitalizing our community by organizing clean-up efforts to remove litter from roadsides and neighbouring properties. By reducing pollution and preserving local ecosystems, we are committed to creating a cleaner, healthier environment for everyone.

SPRING CLEAN-UP**

Applicant Information

Group/Organization Name: _____

Contact Name: _____

Phone Number: _____ Email: _____

Mailing Address: _____

Date/s requested: _____ Clean-Up Option (1 or 2 - see below): 1 2

Participant Information

- Supervisors must be 18 years of age or older.
- One supervisor is required for every five participants aged 14 to 17 years.

Estimated Number of Participants: _____ Total Supervisors: _____ Total Youth (14-17 yrs): _____

Clean-Up Options & Fundraising

Clean-up areas will be confirmed with Roseridge, and organizations may choose one of the following clean-up opportunities:

1 - Roadway Clean-Up:

\$100 per kilometer cleaned
(both sides of the road).

2 - Site/neighbouring property Litter Picking:

\$200 per hour of litter collection on-site
(minimum of 8 volunteers required).

IMPORTANT INFORMATION

■ Organizations must sign the Clean-Up Agreement prior to participation.

■ Mandatory orientation on the event day is required for all participants.

■ All volunteers must follow the [Alberta Highway Clean-Up Safety Guidelines](#). Some program details, such as age requirements and garbage drop-off procedures, differ and will be reviewed at orientation.

■ Preferred Clean-Up Area (if applicable): (Final assignments will be determined by Roseridge Waste Management Services Commission.)

Application Deadline: Earth Day - Tuesday, April 22, 2025
